Both Buckaroos (5-8) and Wranglers (9-18) check-in at the golf shop ideally 5-15 minutes prior to start times. Classes are instructed by The Ranch Club professional staff who cumulatively have almost 100 years of PGA certified teaching experience. Student to coach ratio is approximately 6 students to 1 coach. Instructional flow will be based off of Op36 programming.

## 9-HOLE EVENTS

9-Hole Events provide a great experience for golfers to challenge themselves while testing their skills on the course. Prior to playing each junior must pass a basic rules/etiquette test. A "Player Assistant" volunteer is required for golfers Divisions 1-3 while players 4 and up won't necessarily have a PA. Player's family/friends can be PA's but can not represent their kid's group. Spectators are welcome and are asked to stay on cart paths and only express encouragement to both their child as well as the kids in their group. PA's will have a guideline handout showing basic responsibility such as; score keeping, rules assist, etiquette assist, ball spotting and of course encouragement!
