Have more FUN with your kids while playing more golf !

Most junior programs focus only on swing mechanics on the driving range. The Ranch Club's new Op36 platform does emphasize technique, character building, rules, etiquette but most importantly encourages the kids to get onto the golf course regularly.

With our Op36 program that prioritizes playing the game of golf, each student's goal is to **shoot par (36) or better for 9 holes** from their assigned and appropriate tee box.

STEP ONE: Learn Skills in Fun Classes

We make learning the game feel like a game! Your junior will make friends and learn skills in fun engaging classes.

STEP TWO: Play Their First 9 Holes

After reviewing a basic rules document, coaches will provide your junior with a 9 hole Op36 playing experience.

STEP THREE: Train & Track Progress

The Op 36 Mobile App is your families guide to practicing and playing golf outside of classes.

At **The Ranch Club** we believe that every golf program should be centered around playing the game of golf while also making it FUN! We utilize the Op 36 Development Model (see below) to help keep players engaged to the game. This model combined with the awesome technology makes it easier to improve skills and track progress.

Mastering the Operation 36 Model:

Golfers Play 9 Holes From Division 1 (25 Yards)

After passing the basic rules/etiquette test we encourage kids to go play golf! Instead of starting at the full tee box, all golfers begin in Division 1 and will play 9 holes starting 25 yards from each green.

Shoot par (36) or better to pass Division

When they shoot par (36) or better, the golfer progresses to Division 2, where they start 50 yards from each green.

Complete the Division 10 challenge

This challenge continues until the golfer can shoot par (36) from all 10 divisions!
