SAND

Session 1 July 16 - Session 2 August 27

...

These classes are designed to give newer to intermediate golfers an excellent understanding of all the important fundamentals with the short game as well as the full swing. The first building block will be G.A.S.P. (grip, aim, stance, posture) followed by key swing elements in each area of the game. The students will have a better idea of what to do correctly and what adjustments to be made if there is a miss-hit.

**Mike Barnett is a member of the Montana Golf Hall of Fame,
a P.G.A. member and has been teaching golf professionally since 1975**
